# Wound Care

Lois Kubitschek, NP

Lois Kubitschek, NP has been in health care for over 25 years with specialized training and extensive experience in wound care.

Working with referring providers and their patients, Lois Kubitschek, NP, takes the time to cover all aspects of wound healing by incorporating individual conditions, family, environment, lifestyle and more into one comprehensive treatment plan.

United Vascular Clinic offers a team approach to outpatient wound care. By working closely with United Vascular Clinic physicians Thomas Biggs, MD, Peter Bretzman, MD, Timothy Goertzen, MD, Brian Mahoney, MD, Brian Miller, MD, John B. Miller, MD and Sara Murray, MD, Kubitschek helps ensure thorough and convenient care at every visit.

Solely dedicated to wound care, Kubitschek has the passion, expertise and experience to effectively treat non-healing wounds.
