Accessible Playgrounds in Minnesota 2016

NOTE: These playgrounds are not owned or operated by Courage Kenny Rehabilitation Institute or Allina Health. We are just sharing information.

River Park in Brooklyn Park

River Park – located at 101 83rd Ave N. This inclusive PlayBooster® play structure welcomes all children to the center of the action. An elevated berm attaches to the play structure to put kids at the top of the structure, and poised to fly down the SpyroSlide™. Additionally, lots of play panels are available for social play. The playground equipment is from Landscape Structures Inc. and was built by Flagship Recreation.

King Park in Lakeville,

All children are welcome to play at this inclusive playground in Lakeville, Minnesota. King Park includes a Miracle League baseball field plus hosts a total of nine ball fields. Naturally, the playground is baseball diamond-shaped, and it features an accessible PlayBooster® playstructure that boasts plenty of kidapproved climbers, spinners and sensory panels. Plus, there's a ZipKrooz[™] and a ZipKrooz[™] Assisted that let children of all abilities experience the thrill of flying—side by side!
