

Live Worry Free at Riverwood Village INDEPENDENT SENIOR RESIDENCES

Enjoy Independent Living

Riverwood Village brings you the best in senior living. At Riverwood, we offer a variety of amenities and activities to suit your lifestyle. Our approach to senior living gives you choices in what you want, all in a beautiful residential community designed especially for you.

For your guests

If you need extra space for overnight guests, a guest room can be rented. You may also invite guests to dine with you in the dining room.

Many floor plan options

One size does not fit all – that's why we offer six different floor plans. Our one- and two-bedroom apartments are spacious but manageable. All feature wood cabinetry, full kitchens, and large windows with bright interiors. Each unit has individually controlled heat and air conditioning and ample storage space. Some units offer a bay window, dishwasher, walk-out patio, powder room, and/or master bedroom suite with bath and walk-in closet. Laundry facilities and trash receptacles are located on each floor and elevator service saves you steps.

The outside grounds are as beautiful as the interior spaces. A screened gazebo is the perfect place to enjoy beautiful Minnesota summers. Many tenants enjoy the walking paths, gardens, and apple trees that provide the fruit for fall pies.

A beautiful facility

In addition to the privacy of your own apartment, the spacious and comfortable communal spaces of Riverwood Village are also yours to enjoy, including:

- Fireplace lounge
- Library
- Dining room
- Large screen television
- Grand piano
- Pool table
- Exercise room
- Laundry (free)
- Craft room
- Hair salon
- Game Room
- Solarium

At your service

If you choose, you can leave the cooking, cleaning, and driving to us.

HOUSEKEEPING – Kitchen and bathroom cleaning are provided on a weekly basis as part of your rent.

MEALS – We offer a daily lunch, and brunch every other Wednesday. Or you may choose to prepare your meals in your own apartment. The choice is yours.

Be as active as you choose to be

There's never a shortage of things to do at Riverwood Village. There are movies, card games, bingo, Wii games (bowling, tennis, golf, Wheel of Fortune, Are You Smarter than a Fifth Grader), bible study, monthly birthday parties, brunch, shopping trips... you name it, we do it! We have pizza parties, music, live entertainment, outdoor barbeques, group exercise, chapel services and communion, crossword, and remembering and reminiscing. You can be as active and as social as you want to be and feel comfortable with. This is the time of your life to enjoy yourself and do what you want to do and we'll help you do that.

For your health and safety

DAILY 'I'M OK' CHECKS – There's a difference between being on your own and being all alone. One of the benefits of living at Riverwood Village is that we check on you every day to make sure you're ok.

EMERGENCY RESPONSE SYSTEM – If you need help in a hurry, assistance can be summoned fast. Emergency response pull cords are located in each unit. The cords alert the Riverwood office and Cambridge Medical Center switchboard that assistance is needed. Either Riverwood staff or Cambridge Medical Center Security will respond and assist in getting you the help you need.

SECURITY SYSTEM – Visitors must call the office or individual apartments through the front door security system in order to gain entrance into the facility.

MONTHLY BLOOD PRESSURE CHECKS – Many of our tenants take advantage of visits by local home health nurses who stop by on a monthly basis to check blood pressures at no cost.

CLOSE TO MEDICAL CARE – Our location right across the street from Cambridge Medical Center makes it quick and easy for tenants to get to medical appointments.

Worry-free living
