

HOSPITAL ON-SITE VOLUNTEER OPPORTUNITIES:

- I am interested in a greeter role at the hospital - welcoming visitors and helping with wayfinding.
- I am interested in a patient befriender role – visiting with patients, playing games or reading to patients.
- I am interested in assisting in the materials department by labeling incoming packages and filing.
- I am interested in helping in the facilities department with light groundskeeping, office organization, and filling birdfeeders.
- I would like to provide customer service by serving as a cashier at the gift kiosk.
- I would be willing to help price and organize merchandise for the gift kiosk.
- I am interested in decorating the hospital for the holidays as well as putting holiday décor away at the end of the season.
- I am interested in serving in an advisory role on a committee that helps influence decisions regarding the volunteer program.
- Other opportunity or area of interest (please describe)

COMMUNITY-BASED VOLUNTEER OPPORTUNITIES:

- I would consider helping to sell pies at the spring pie sale.
- I would consider helping out at the spring salad luncheon. Some opportunities include refilling beverages, helping with set-up or clean-up, and monitoring the serving line.
- I am interested in serving as a guest hostess or busser at the Pizza Hut guest-server fundraising night.
- I am interested in helping out at the holiday boutique sale. This may include set-up, cashiering, and organization.
- I would consider serving on a committee to help coordinate and carry out fundraising events, such as the spring salad luncheon, pie sale, etc.
- I have connections in the community or am willing to make connections in the community to assist with advertising our events at local businesses, churches, and publications.
- I am interested in serving on a committee to help plan the hospital foundation's largest annual fundraiser, which includes dinner, entertainment, and a live and silent auction.
- I enjoy organizing events and am interested in providing leadership for fundraising events.
- I'm interested in joining a group to make beaded mammogram bracelets for the radiology department.
- Other opportunity or interest (please describe)

AT-HOME VOLUNTEER OPPORTUNITIES:

- I enjoy baking/cooking and may be interested in donating a pie or a salad to a fundraiser.
- I enjoy knitting, crocheting, or sewing and would be interested in knitting/crocheting hats or sewing items for hospital patients.
- I am interested in calling other volunteers occasionally to recruit help for events and fundraisers and to help fill scheduling gaps.
- Other opportunity or area of interest (please describe)

-
- Please contact me to discuss these opportunities and provide me with more information. My contact information is below.
