The *Nursing Champions of Care* program honors Dr. Bill and Mary Petersen for their immense support of nurses and for providing the seed funding to launch this program in an effort to inspire others to give. Dr. Petersen has received the life-long, honorary title of Abbott Northwestern Nurse for his passionate and unwavering devotion to Abbott Northwestern nurses. We are forever grateful.

To all of our nurses, past and present, thank you for your compassionate care and compassionate giving.

ABBOTT NORTHWESTERN
HOSPITAL FOUNDATION

A commitment to excellence in nursing

Nursing Champions of Care is collective, compassionate philanthropy among nurses, for nurses and for the health of the nursing profession at Abbott Northwestern.

The *Nursing Champions of Care* program, created to address an urgent need to enrich the hospital's Nursing Excellence Fund, appeals to actively employed and retired Abbott Northwestern nurses and Abbott, Northwestern and Abbott Northwestern nursing school alumni.

Establishing a robust Nursing Excellence Fund allows more of our nurses to receive the advanced training and continuing education they need to better position Abbott Northwestern nurses for optimal success in the future.

Together, with your help, we will grow a tradition of nurse philanthropy at Abbott Northwestern Hospital to benefit generations of nurses to come.

Ways to give

Please use the attached form to return your gift. We encourage your support of the Nursing Excellence Fund.

Contributors at any level will be recognized in the Nursing Department's annual report. Contributors who give \$250 or greater will also be recognized in the Foundation's annual report to donors.

There are many ways to make a gift beyond this form. If you'd like to consider a planned estate gift as part of your legacy, a gift of stock, or a gift from your IRA or other retirement account, please speak with the Foundation at 612-863-4126.

How philanthropy benefits nurses

The Nursing Excellence Fund is fully funded by the generosity of donors.

Each year, the Nursing Excellence Fund provides support to hundreds of Abbott Northwestern nurses in a multitude of ways, including:

- continuing education courses for staff nurses and nurse leaders
- scholarship support for undergraduate and graduate degrees
- recognition of nurses during Nurses Week
- educational materials to support certification
- support for research and establishment of best practices.

Designating your Gift

You may choose to designate your gift to the Nursing Excellence Fund or another hospital program or service.

Any gift you make to Abbott Northwestern during the year distinguishes you as a *Nursing Champions of Care* participant.

To also be recognized as a Community Giving Campaign participant, current nurses must make their gift during the employee campaign each fall.
