

GIVENS BRAIN TUMOR CENTER

Resource information for Brain and Spinal Cord Tumor patients and loved ones

Support groups, local and national programs offering support to patients and their loved ones, financial and transportation resources, and organizations who raise awareness about brain and spinal cord tumors.

Brain Tumor Support Groups

During the COVID-19 pandemic, many local support groups moved to virtual or online support, where you meet with others on your screen, tablet or phone in a safe and confidential place in your home. Here are a few support groups to explore:

Gildas Club Brain Tumor Support Group

4th Wednesday of Month 6:30-8:00 PM

Orientation required

[Support Programs - Gilda's Club \(gildasclubtwincities.org\)](http://gildasclubtwincities.org)

MHealth Fairview

Contact Katie Pearson

kpearson11@umphysicians.umn.edu

4th Monday of the month; 6 – 7 pm

*Quarterly, in lieu of the support group, we will host education sessions led by M Health Fairview providers covering a variety of topics. Attendees are welcome to come together or independently. Email Katie to receive link to online group.

Regions Cancer Care Center

2nd Wednesday of every month, 6:30-8:00 via Zoom for patients and loved ones.

Contact Denise Shannon at 651.254-9267 for more information or to get on our mailing list.

CancerCare.org

[Support Groups, Cancer, Patients, Caregivers \(cancercaresupportgroups.org\)](http://cancercaresupportgroups.org)

Seven area agencies (For example: Arrowhead, central Minnesota, southeastern Minnesota, etc.) that provide assistance and resource information to seniors, local agencies, and communities within their area.

Help At Your Door.

Helpatyourdoor.org

651-642-1892

Supports seniors or individuals with disabilities living in Minnesota’s seven-county Twin Cities Metro area. Helps seniors and individuals with disabilities to maintain their independence and continue living in their homes. Store To Door grocery assistance, home support and transportation services provide help with in-home tasks and chores. Services can be bundled. Service area includes Anoka, Carver, Dakota, Hennepin, Scott, Ramsey and Washington counties.

Wilder is committed to improving the lives of older adults; adults with mental, physical and chronic health conditions; and their caregivers who age in place and live where they feel most comfortable, whether in their own home or connected to their community. Access to a variety of healthy aging and caregiving services, support and resources to help maintain health, well-being and independence. Committed to addressing complex challenges that will advance equity in Saint Paul and across Minnesota. <https://www.wilder.org/about-us>

Additional Transportation Resources

METRO MOBILITY

Metro Mobility is a shared-ride public transportation service for certified riders who are unable to use regular fixed-route buses due to a disability or health condition. Trips are provided for any purpose. To learn more and to apply, which requires your physician's input, see their website.

<https://metro council.org/Transportation/Services/Metro-Mobility-Home.aspx>

County Public Transportation - Many counties around the state have public transportation options for the general public. Check your county to learn about public transportation options. Rides may be curb to curb, within a specific radius, provide transportation for specific reasons. Some are listed below.

Dakota County –

<https://dartsconnects.org/GoDakota>

Scott and Carver Counties –

<https://scottcountymn.gov/516/SmartLink-Transit>

Transit Link is a shared-ride public transportation for the Twin Cities metro area where regular route transit service is infrequent or unavailable. It's for trips that can't be accomplished on regular transit routes alone.

<https://metro council.org/Transportation/Services/Transit-Link.aspx>

651-602-LINK (5465)

SW suburbs of Chaska, Chanhassen, and Eden Prairie

<https://www.swtransit.org/about/>

Raising awareness and dollars for brain and spinal cord tumors!

Below are some organizations that work tirelessly to raise awareness about brain and spinal cord cancer by raising money to help find cures, help us live better lives and keep us connected! Some have been started by our very own patients and families. Now that's saying something. Gratitude!

BREAKTHROUGH FOR BRAIN TUMORS 5K

BT5K Your Way: anyway, anyhow, anywhere! You can walk, run, bike, or even kayak your 5K—solo or with friends and family. Join folks across the country to raise critical funds for brain tumor research and patient support services.

Watch here for information on 2022 in-person events. <https://www.abta.org/get-involved/bt5k/>

Bowling for Brains

A successful outdoors Mini Golf edition and silent auction in place of Bowling for Brains was held on September 26, 2021. Rumor has it bowling will be back in 2022! Stay tuned to the website for more information! <http://bowlingforbrainsmn.org>

walk.talk.connect

WalkTalkConnect is a non-profit dedicated to building a "peer-to-peer" mentoring community that connects patients and caregivers facing the unique challenges rare brain & spinal cord tumors present.

Watch for events here: <https://www.walktalkconnect.org/>

Dedicated to funding research and patient services to improve the lives of patients by raising awareness, providing support and encouragement, and offering uplifting events to provide a sense of community and hope to affected individuals and families.
