GENERAL INFORMATION

ST. CROIX CAMPUS

Who can use the fitness center and pool independently? Our fitness center and pool are open to the public for therapeutic exercise. To use the facilities, individuals must complete an assessment/orientation, the required paperwork and waiver. This can be done in one of two ways:

1. Complete physical therapy with a land or pool-based therapist at Courage Kenny in Stillwater and request a referral for independent use.
2. Call (612) 775-2400 to schedule an assessment/orientation with our Aquatics and Fitness Department.

How much does it cost to use the fitness center or pool? Individuals must purchase a pass for access and check-in at the Aquatics & Fitness Center desk for each visit. Pass options are listed on page 3. Classes and one on one prices are listed under each class or one on one throughout the program.

Do you offer any discounts? Yes, the prices listed in this program are at our affordable direct pay rate.

Do PCAs need to pay for a pass? No, PCAs do not need to purchase a pass but must remain within arm's length of the participant and complete assessment/orientation with the participant. PCA's must also complete the required paperwork and waiver, and check-in with the participant upon arrival.

Does the pool ever close? How do I find out? The pool may close for safety reasons. We notify individuals who have elected to receive text or email notifications. Stop by the desk to sign up for these notifications.

Do you have a dress code? Yes, CKRI has dress code guidelines for the pool and fitness center – please see onsite guidelines for additional information.

What is the pool like? Our pools' water temperature is a comfortable 92 degrees. Staircases, handrails, ramps, and special pool wheelchairs provide easy access. A certified lifeguard or instructor is on duty. Locker rooms are available for showering and changing. Participants must provide their own padlock, swimsuit, and towel.

Do you have any special policies that apply? Yes, there are several policies in place for our passes, classes, and one-on-one sessions. These include,

- No make-up sessions are provided.
- Set-up and take-down times included in the session length.
- Enrollment required for class attendance and is non-refundable or transferable.
- One on one fees are due the first week of each session and are non-refundable or transferable.
- Drop-ins class participation is allowed if space permits, with a signed waiver and \$15 fee.
- Participants may receive credit for missed sessions if they are unable to attend for at least two consecutive weeks in a row due to medical reasons with a doctor's note stating the reason and dates.
- Instructors may dismiss disruptive or unsafe participants.
