

# Aqua Tot Swim Program

The Wasie Therapeutic Swimming Pool at Courage Kenny Rehabilitation Institute – Abbott Northwestern Hospital is offering six-week swim sessions on Saturday mornings for children, ages 9 months through 4 years.

Classes are taught by a certified American Red Cross instructor in a fun and relaxed warm-water (92 degrees) environment. Children are separated into three age groups. The younger children work on water adjustment skills and play activities, while the older children work on basic swimming skills. One parent per child must be in the pool during the class.
