The Hope Fund cannot be used to make credit card payments, pay for any medical expenses besides insurance premiums, or prepay expenses.

## How do I apply?

---

Applications are available online at [allinahealth.org](http://allinahealth.org) or by calling your local Foundation office (see page 5). A completed application, along with a copy of bills (no originals please) that includes all pertinent information — amount owed, billing address, etc. — must be submitted to one of the four Allina Health Foundations listed on page 5. Your RN Care Coordinator or Oncologist may be able to submit the completed application for you.

- All pages of the application must be completed and signed. Incomplete applications will be returned and will not be reviewed until a completed application is submitted.
- If the request is for a rent payment, a copy of the lease, including the landlord's name and phone number, must be included. The Hope Fund can be used to pay more than one bill. Please submit copies of all bills to be paid.
- If the bill is paid electronically, a copy of the online statement must be included, along with the company name and billing address.
- The bill to be paid must be in the name of the patient. Joint accounts are acceptable, as long as the patient is named on the bill.
- The Hope Fund will not contact a creditor on behalf of a patient to discuss terms or guarantee payment. All contact with the creditor must be handled by the patient.

## How long does the process take?

---

- All funding decisions are made by a committee consisting of Foundation staff, a Foundation Board Member and members of the community.
- All applications are strictly confidential and only the Foundation staff will have access to the name of the applicant.
- You will be contacted with a decision within one week of receipt of your application.
- It will take approximately two weeks for financial assistance to be processed. Please be sure to plan accordingly. A check will be issued and mailed directly to the creditor. A check cannot be made out to an individual.
- The Hope Fund reserves the right to make exceptions to providing funds for other extenuating circumstances. Applicants who are denied funding may request an appeal.

The Hope Fund is a program of the Allina Associated Foundation and is funded through the generous support of the Minnesota Affiliate of Susan G. Komen for the Cure®.
