How can I say
thank you?

Grateful Patient Program

Compassionate care is made possible with compassionate giving.

A meaningful way to demonstrate gratitude is by making a gift to Owatonna Hospital Foundation. Each gift is an investment in patients, their families and the greater community.

Owatonna Hospital relies on the support of its generous donors to make innovative programs and advancements possible. Whatever the health need – from a routine check-up to a life-saving procedure – patients depend on Owatonna Hospital's world-class capabilities and exceptional care.

Your support today helps ensure that Owatonna Hospital will continue to excel as a top medical center, providing expert, compassionate care to all of its patients.

Give online by visiting allinahealth.org/owatonnafoundation or calling 507-977-2562.

You can make a difference by directing your gift to the following areas:

Where the Need is Greatest o4402 – Based on the priorities of the community and hospital, we're able to invest in areas with the greatest need such as patient care, care coordination, technology and education.

My Baby and Me o4414 – A collaborative initiative focusing on early childhood development and healthy parenting skills. This includes the Steele County Diaper Bank, Southeast Minnesota Breastfeeding Coalition, car seat installation, and post-partum depression awareness.

Penny George Institute for Health and Healing o4410 – Provides free transformative nursing therapies at the bedside to ease pain, nausea and discomfort while reducing the need for narcotics. This includes healing touch, medical massage, aromatherapy, acupuncture and music therapy.

Employee Education Fund o4413 – Enhances the lives of employees and their dependents by funding personal and professional development programs they might otherwise not be able to access.

Reflection Center o4400 – Offers visitors, patients and staff a calm space to reflect on personal health and healing, prayer and fellowship.

Healing Arts and Gardens o4406 – Through a partnership with Owatonna Arts Center, new pieces of original artwork are exhibited every three months. Healing Gardens offers outdoor spaces for reflection with artistic sculptures, garden benches and professional landscaping.

Fund for Excellence o4407 – Gifts to this fund help ensure Owatonna Hospital has the most up-to-date technology and staff who are trained in new health advancements.

Hope Fund o4409 – Provides financial assistance to women actively receiving treatment for breast cancer. They must live in Steele, Dodge, Rice or Waseca counties to be eligible.

Sexual Assault Nurse Examiner o4412 – Provides training for nurses in our Emergency Department, allowing us to properly respond to cases of sexual assault and domestic violence.

Patient Care Assistance o4416 – Helps cover out-of-pocket expenses for patients who don't otherwise qualify for financial assistance.
