

What we do

We support the missions of hospital & senior living through volunteerism and philanthropy.

Fundraising activities like the Annual Garage Sale allow us to fund equipment, programs, & projects to enhance healthcare services. Examples of Auxiliary funding include:

- Breast diagnostic & software for mammography exams
- Clothing for ER patients
- Passenger van for senior residents
- Annual medical education scholarships for Hastings High School seniors
- Senior living gardens

Every dollar raised stays local

Senior Living Car Show

How to get in touch
