Proceeds from this year's event will purchase a medical transport van for Regina nursing home residents.

Transportation arrangements currently need to be made with a vendor and can cost up to \$200 to go 2 miles.

A transport van will remove the burden from families who struggle for time off to escort their loved one, as well as from the nursing home resident who may need a ride to local appointments. Regina Senior Living has incorporated staffing and maintenance for this program into their operating budget so it will be a sustainable service.

Consistent transportation access to health care vastly enhances health outcomes. With a transport van, Regina can comfortably and readily assist nursing home residents without the added expense.

Did you know?

The Regina Classic was originally started as the Larry Yanz Memorial Golf Tournament in 1984 by the family of Larry Yanz. The event was named in honor of their father, a well-known member of the Hastings community and owner of the prominent Bierstube restaurant. Proceeds were donated to Regina Medical Center until 1995 when the event was turned over to Regina to coordinate. The Yanz family participates in the event every year.

About the Tournament

The Regina Classic is an annual four person scramble golf tournament sponsored by the Regina Foundation.* It supports the programs and health care services for the patients and residents of Regina Hospital and Regina Senior Living. Today, the Regina Classic has grown into "The Event" of the season. Each year, golfers hit the course for a fun filled day that benefits the healing work of the Regina Foundation.
