

Respiratory Protection Requirements

All Faculty/Admin and Students must review this document.

All students (including those who are Allina employees) and Onsite Faculty attending clinicals at Allina Health must:

Prior to clinical start:

1. Complete **Respirator Questionnaire** (for Medical Evaluation), which is located in Clinician Nexus requirements.
 - a. When the document is open on the site, save to your computer. Close and reopen in ADOBE, go to the bottom right corner, and select fill and sign. Resave copy to your computer.
 - *Email to: Employee Occupational Health (EOH) at sniocchealth@allina.com*
 - b. School to file with immunizations records.
 - c. **This must be completed and submitted prior to fit testing.**

During Clinical Experience Students and Onsite Faculty Must:

1. Follow Allina Health policies communicated onsite regarding infection prevention, screening, and clinical limitations.
2. Follow [Allina's PPE policy](#). **Allina will provide all necessary PPE; only PPE provided by Allina Health is allowed.**
3. **Self-monitor and do not attend clinicals** if you have symptoms of illness. Notify faculty and unit/preceptor if you will not be attending clinicals due to illness.
4. Notify unit leader/charge nurse and faculty immediately if develop any symptoms while at clinical site.
5. In the event of an exposure:
 - Seek care through personal medical provider if experiencing symptoms outside of clinical experience. Any testing or medical care needed will be billed to the student or faculty's private insurance. Once the test results are back, follow the return-to-work guidance advised by the Ability to Work Guidelines and / or Employee Occupational Health (EOH) staff.
 - Review Allina Health Ability to Work Guidelines at: <https://www.allinahealth.org/for-employees> for instructions about exposures and ability to attend clinicals.
 - Complete the COVID-19 Online Intake Form or call the EOH at 612-262-4490 to receive ability to work guidance.
