Allina Health
MERCY HOSPITAL

A MESSAGE FROM
JAY MACGREGOR, MD *Vice President, Medical Affairs*
KRISTIN DENNE *Director, HR Business Partner*

Feb. 26, 2025

In today's half-day bargaining session, the union began by presenting a list of open items and suggesting we focus on the accommodations provision. We reached a tentative agreement on the same language Doctors Council SEIU and our primary and urgent care providers agreed to last week, which mirrors existing Allina Health policy for all employees.

Next steps

We meet again on Friday, March 7 and will continue to share updates throughout the process. Thank you for all you do for our patients, communities and each other.
