

Get a 30-day emergency refill for your prescriptions

If your pharmacy has been affected by the civil unrest and is closed, we are here to help. Please contact one of the Allina Health Pharmacies in the neighborhood. Our staff will work with you to get your non-controlled prescription medications refilled.

Site	Address/Phone/Fax	Hours

The MN Board of Pharmacy has authorized a 30-day emergency refill for patients whose pharmacy has been affected. Our pharmacies can work with patients to obtain their prescription and insurance information to fill their non-controlled maintenance medications. Controlled substances will require a new prescription from your doctor.
