

## Schedule these appointments online with your Allina Health account

Many appointments can be scheduled using your [Allina Health account](#) online or in the mobile app available for [Apple](#) and [Android](#) devices. Your health record (MyChart) must be connected to your account to schedule these appointments online. If you would like to schedule a different appointment or need help scheduling, please call us at 1-866-301-6698.

\* appointments that cannot be scheduled in the mobile app
