

Get ready to enroll in your employee benefits

Get to know your pharmacy benefits

When you enroll in an Allina Health medical plan, you automatically receive prescription drug coverage.

With [Express Scripts](#) as our pharmacy claims administrator, you have access to one of the nation's largest networks of pharmacies, as well as an extensive drug formulary.

Your pharmacy benefits feature:

- Better pricing when you use [Allina Health Pharmacy](#), plus convenient home delivery. Employees are encouraged to fill prescriptions at any Allina Health Pharmacy location or through its free mail service.
 - **Note:** Elevate Plan and Premier Health Savings Plan participants are **required** to use Allina Health Pharmacy for refills of ongoing maintenance medications.
 - The first fill of any medication can be filled at any Express Scripts network pharmacy (except Walgreens); however, any subsequent fills need to go through Allina Health Pharmacy.
- Mail order prescriptions (up to 93-day supply) must be filled at an Allina Health Pharmacy.
- Specialty prescriptions must be filled at an Allina Health Pharmacy.
 - If Allina Health Pharmacy is unable to fill your specialty prescription, they will assist with filling it through the Express Scripts designated specialty drug vendor, Accredo.

Did you know?

Allina Health Pharmacy fills more than one million prescriptions per year throughout the Twin Cities and Greater Minnesota. Our team of experts makes managing your prescriptions easy:

- **Access and affordability:** Allina Health pharmacy offers prices comparable to or lower than major national chains.
- **Basics and beyond:** From over-the-counter medications and retail prescriptions to medication compounding and specialty medications for complex medical conditions, you can find it all at Allina Health Pharmacy.
- **Convenience:** Manage your prescriptions and refills easily from your Allina Health account. Can't make it into a brick-and-mortar location? You can sign up for free mail delivery.
