Where can I find the 2026 medical premiums?

- Medical plan premiums can be accessed by employees and spouses in the [ALEX plan comparison tool](#) (or [ALEX for MNA-represented employees](#)).
Note: ALEX is not intended for SEIU-represented employees.
- Employees can log in to [HRConnect](#) from the AKN homepage and search by medical plan name.
- All plan options and costs will be available Nov. 3-17 in the Workday enrollment tool.
