In today's bargaining session with Doctors Council SEIU, the union provided an updated proposal on physician time away in exchange for the union dropping its safe and sick time proposal. The union also provided an updated proposal on Continuing Medical Education that specifies the maximum annual reimbursement of \$4,500 and notes that the technology stipend would follow the same terms and conditions applicable to non-contract physicians. We are reviewing the union's proposals and will respond later.

Next steps

Our next session is Tuesday, Feb 3, and we will continue to share updates throughout the process. Thank you for your dedication to our caring mission.
