

# United Hospital Foundation Funds

## MENTAL HEALTH HEALING ENVIRONMENT

Mental illness already surpasses all other illness as a leading cause of adult disability, and we are now seeing an increase in deaths related to mental illness and addiction. Enhancing the healing spaces will address the growing mental health needs of our community with compassion and innovation, ensuring our patients and families have what they need right now.

## TOTAL JOINT REPLACEMENT CENTER

Leading with full person care, the United Hospital Total Joint Center of Excellence will bring together multiple specialists in addition to the best orthopedic surgeons within a hospital setting. From the care coordinator who helps to guide “next steps” to surgeries based on international best practices and support groups for recovery, the Joint Replacement Center of Excellence will be a preferred site for anyone who wants to get past the pain to live a full, active life.

## SURGICAL ONCOLOGY CENTER OF EXCELLENCE

United Hospital has been named a Center of Excellence in Robotic Surgery, with remarkable surgeons identified as Surgeons of Excellence in Robotic Surgery. United Hospital is one of the busiest robotic surgery programs in Minnesota, with more than 10,000 procedures. United Hospital Foundation’s goal is to raise funds to purchase additional robots enabling the center to offer an array of advanced treatment options with a particular focus on improving clinical outcomes and patient experience by our world-class physicians.

## CARDIOLOGY RESEARCH FUND

The vision is to be a leader in clinical cardiology and provide the highest level of quality research service. The fund helps expand the knowledge of current and developing therapies.

## JULIE COHEN UNITED HOSPITAL VOLUNTEER AND NURSING EDUCATION FUND

This fund will award scholarships to volunteers pursuing nursing degrees.

## LIPSCHULTZ GUEST ROOMS ENDOWMENT FUND

The rooms offer a place for families to stay when a loved one is hospitalized. This fund helps subsidize guests who can’t afford to pay for the service.

## MEDICAL EDUCATION AND RESEARCH ENDOWMENT FUND

This resource is funded entirely by physicians and provides grants for clinical research, educational opportunities and the purchase of ancillary equipment.

## MILTON M. HURWITZ EXERCISE FITNESS CENTER FUND

The Milton M. Hurwitz ExerCare Fitness Center provides medically safe and effective exercise and education programs to patients, their families and the community.

## NASSEFF HEART CENTER

The Nasseff Heart Center offers comprehensive care from diagnosis to rehabilitation.

## NASSEFF NEUROSCIENCE CENTER

The John Nasseff Neuroscience Institute offers comprehensive services, including a multidisciplinary team for acute and long-term care and serves as a research and education center to patients with neurologic disorders.

## HYBRID OPERATING SUITE

This fund will be utilized to support the necessary components and programs of a Hybrid Operating Suite and Electrophysiology/Catheterization Lab within Nasseff Heart Center.

## UMS CLINICS EXPANSION PROJECT

United Medical Specialties (UMS) is a premier practice at United Hospital, widely recognized for clinical excellence and dedication to patient-centered care. The clinic improves quality of life and stems the growing tide of chronic disease costs and is an accessible portal into United Hospital’s specialty services.

## UNITED PAIN CENTER FUND

The fund was established to support the commitment to improve the quality of life for patients coping with pain. The fund provides support for the variety of interventions provided by the clinic.
