

It started with your
generosity.

In 2017...

\$611,272

donated to support
Phillips Eye Institute
programs, patients and
the communities we serve.

Phillips Eye Institute continues to
be the **2nd largest Eye
Surgery Center** in the
United States and is a **leading
site** for retinal case volume.

Donor dollars impacted
the vision of nearly
45,000 people.

Over **28,000 vision
screenings** provided to public
school **students** through the
**Early Youth Eyecare (E.Y.E.)
Community Initiative.**

5,500

complimentary rides provided
to patients who rely on our
Transportation Service
for timely vision care.

The Kirby Puckett Eye Mobile,
Minnesota's first fully functional
mobile eye clinic, made more
than **100 school visits with
850 vision exams.**

Sight for Soldiers surgeries nearly
doubled since the program's inception in
2015, and donations continue to cover the
cost of **vision correction surgery**
for active military personnel.

Over 2,000

public school students
adjusted their vision care after
E.Y.E. screening results.

Over **\$160,000** raised at
the Urban Cocktail Party where
we honored **Peter Heegaard**—
a key player in establishing
the E.Y.E program.

*and so
much more!*
