

2014 Fall Newsletter

Welcome

Welcome to the special edition of the Fall Foundation newsletter

I'm proud to celebrate the 30th anniversary of the Foundation with each of you. Through your generosity over the years, we've been able to fund many new services and technologies for our patients and the community we serve. This issue features a retrospective of the work we've done together. We've compiled a timeline of major events you have made possible on pages xx-xx.

Through our first Service to Humanity Gala, An Evening of Elegance, in 1985 through our latest Gala, The Many Facets of Philanthropy, we have celebrated community and physician honorees, and raised more than \$30,000,000. See a few photos from the 2014 stunning event of the season on page XX.

We've had the privilege to work with many people as board members and have awarded 30 Trustee of Year Awards.

Long time donors such as Norma Larson, (29 years), Louis Hill (21 years), Dan Mott (18 years), David Herr (15 years) and Jack Ritt (13 years) share their reasons why giving to the United Hospital Foundation is important to them on page xx.

Look for updates to our newest capital campaign The Mother Baby Center at United and Children's-St. Paul, on page xx.

Through my 30 years of service to United Hospital Foundation, I have always believed that "we help make it better." We have proven that a true partnership between the community and hospital guarantees the best possible care for people in this community.

Thank you for everything you have done for United Hospital in the past. Your support guarantees that the excellent care this community has known for the past 157 years will continue for you, your children and generations to follow.

Your support is greatly appreciated.

Duke Adamski, President
United Hospital
Foundation

Highlights

United Hospital Foundation Community Impact

Thank you for making it possible for the United Hospital Foundation to support our community. Highlights include:

Changing Our Community

Lipschultz Guest Rooms

United's Guest Services, in partnership with the Holiday Inn, Downtown St. Paul, offers discounted rooms for families to stay when a loved one is hospitalized. The Lipschultz Guest Rooms Endowment Fund also helps subsidize guests who can't afford to pay for the service.

Just over the last two years, more than 550 guests have utilized this service.

Milton M. Hurwitz ExerCare

Fitness Center provides medically safe, effective exercise and education programs to patients, their families and the community.

Originally opened in 1987, when moved to the current facility in 2002 membership increase 60%. Current membership: 2,762 and approximate number of workouts: 430,000

Any new pieces of equipment are donated by Fitness Center members (who also donate to the Foundation)

Peter J. King Family Health Center

United Family Medicine has changed locations and affiliations over the past 70 years without changing their mission to promote access to comprehensive, patient-centered primary health care among low income and medically underserved St. Paul

residents, embracing all races, cultures, ethnicities and income levels.

In 2009, moved to a new state-of-the-art facility at Randolph Avenue and West 7th Street. The new facility, The Peter J. King Family Health Center, allowed for expanded services, an excellent work environment for staff to better meet the health-care demands of a growing community and contribute to the vitality of a core area of St. Paul.

UFM serves more than 12,000 patients, and more than 43,000 annual visits, and those numbers are expected.

The Metropolitan Airports

Commission, through donations from the Foundation, installed automatic external defibrillators throughout the Minneapolis-St. Paul International Airport.

The Foundation's 2003 contribution outfitted the huge airport complex (serving 33 million passengers a year) with 70 of these lifesaving devices.

St. Paul Fire paramedics receive LUCAS mechanical CPR device donation.

Thanks to a large grant of \$97,000 from the United Hospital Foundation, paramedics are able to acquire state-of-the-art CPR devices.

Your contributions make a difference!

30 years of capital campaigns

Through the generosity of each and every one of you, the Foundation has been able to raise funds to support the capital campaigns.

CyberKnife, 2014

Your donations have ensured United Hospital continues to be a leading resource for current technology and medical practices.

Campaign Update:

*The Mother Baby Center
at United and Childrens-St. Paul*

United Hospital Foundation is raising funds to help cover the expected cost of the building/renovation, equipment and furnishing. The Mother Baby Center at United and Children's-St. Paul will be the vital resource the community deserves. Family will be able to say without reservation,

*"There is no better place but United
to have a baby."*

“These are different times, and it’s critical that we make the Birth Center family-friendly for the diverse population we serve.”

Joan Thompson, United Hospital Foundation Board member

For more than 30 years, thousands of families have chosen the Birth Center of United Hospital. They have trusted the Birth Center because of the expertise of its staff and its comprehensive care for mothers and infants. Whether births were uncomplicated or high-risk, families have received the highest level of care.

Now the Birth Center is at a crossroads. Built in 1979, its facilities look dated. Rooms where patients receive care are crowded, from labor and delivery rooms to the post-partum rooms where women and families welcome their babies and spend time together.

United Hospital Foundation is leading a fundraising campaign to build a Birth Center that will be the vital resource our community needs.

One of the busiest birth centers in Minnesota, the Birth Center has a sterling reputation for excellent medical care. As the only regional referral center

in the East Metro, the Birth Center provides a unique service to the St. Paul area: It serves women expecting routine births and is fully prepared for any complication that mothers and infants may experience, including antepartum, perinatology, NICU and high-risk pregnancy care. In fact, approximately 17 percent of patients choose United because of a diagnosed pregnancy complication or because an infant was born prematurely.

The Mother Baby Center is a partnership between United Hospital and Children’s Hospitals and Clinics of Minnesota.

For more information or to make a donation, contact United Hospital Foundation, 651-241-8022 or allinahealth.org/unitedhospitalfoundation.

Our future is in your hands

30th Anniversary

2014
Service to Humanity
Gala

September 27, 2014

The 2014 Service to Humanity Gala

The many facets of philanthropy set the stage for this sparkling, elegant evening for more than 1,500 Gala guests. The Gala Lounge greeted guests as they ascended the escalator to the mezzanine where the silent auction items awaited. The extremely popular “Cash Grab” and “Heads and Tails” games were crowd favorites. The Sevilles serenaded guests as they took their first look at what can only be described as a setting fit for the royalty who attended the 2014 Service to Humanity Gala.

Hosted by co-chairs Tom and Dawn Walrath, the evening this year’s 30th Annual Gala raised more than \$1.5 million dollars for The Mother Baby Center at United and Children’s -St. Paul capital campaign.

An important part of the evening is the presentation of two Service to Humanity Awards. United Hospital Foundation presents the awards annually to recognize the honorees for selfless dedication and leadership in improving the health and welfare of people in St. Paul and surrounding communities. Community Award honoree, Moe Sharifkhani, was

honored for his generous, longtime supporter and advocate of his community hospital, United, through the United Hospital Foundation. physician honoree, recognize for Patricia Penovich, MD, Director of Neurology and Epilepsy at United Hospital, a steering committee member and the Bentson Chair at the John Nasseff Neuroscience Institute was recognized for her extensive service to epileptic women of child bearing age.

The United Hospital Foundation extends thanks to all of the Gala sponsors (please see entire listing on page XXX), volunteers and generous community members who attended to show their support for United Hospital.

A special thank you to John Nasseff and Helene Houle, Gala Chairs Tom and Dawn Walrath, and the entire Gala committee. Without support from these dedicated and tireless individuals, the Gala would not have been as successful, and the Foundation is grateful for their continued support.

Photo credit: XXX

Be part of one of the greatest giving events of the year. Don't miss the 2015 Service to Humanity Gala on September 27, 2015.

“Raising funds to keep United Hospital on top is one way I can give back to my community.”

30 years of community service

The History of United and United Hospital Foundation

An average of 15 private nurses work daily.

1900s

Miller Hospital and its School of Nurses open.

St. Luke's hires its first pathologist.

1920s

St. Luke's Training School for Nurses graduates 62 nurses.

A large x-ray machine (\$1,600) is installed and a technician is hired to operate it at St. Luke's.

The stock market crash impacts all plans for capital improvements.

The average length of stay is 25 days.

Each year the Foundation works with donors to raise and invest funds that help United Hospital:

- Maintain health care excellence by bridging the financial gap between the increasing cost of providing services and the shrinking level of reimbursement from insurance;
- Purchase new equipment and make other non-reimbursable capital investments that allow United Hospital to provide patients with the latest and most technologically advanced care;
- Provide access to superb health care for a culturally and economically diverse community;
- Form partnerships with other organizations to support community-wide health

1930s

Miller Hospital builds a 3-story wing to house a million volt x-ray machine for radiation therapy.

1940s

St. Luke's expands its services to include 16 beds for patients with mental illness.

The Depression hits hospitals hard resulting in wage reductions, forced vacations, section closures and closure of nurses' training schools.

During its 44 years, St. Luke's Training School for Nurses trained 593 women.

St. Lukes adds a full-time anesthesiologist to the medical staff.

Nursing staff dwindles as World War II enlists doctors and nurses and 300 volunteers organize to fill the gap. Miller turns away 155 patients due to staff shortage.

Major expansion of St. Luke's includes operating rooms, delivery rooms and laboratory.

1950s

Average length of stay is 7.86 days.

Miller hospital expands to 425 beds.

St. Lukes acquires electronic cardioscope heart surgery aid.

World renowned pathologist Dr. Jesse Edwards brings his heart registry to St. Luke's.

1960s

Heart surgery is now performed weekly.

500 car parking ramp is built.

Modern Hospital magazine honors St. Luke's for the design of its innovative and function cloverleaf addition, locating the nurses station in the center with patient rooms it periphery.

United Hospital is created by the consolidation of St. Luke's and Charles T. Miller hospitals. St. Luke's is remodeled. Miller is sold.

Jesse .E Edwards Registry of Cardiovascular Disease, the United Eye Institute and a major Perinatal center remodeled are celebrated in separate events.

United and Children's Hospitals build one facility.

United Hospital President: 1980-1983: C. Jerome Jorgensen

Cardiac Family center opens.

June 1984 the Foundation was formed.

1970s

1980s

1981 1982 1983 1984 1985 1986 1987 1988 1989

United Hospital President: 1972-1980: William Wallace

First Gala was known as Evening of Elegance.

Duke Adamski becomes president of the Foundation.

United Hospital and the Foundation announce the "United 90s" campaign that raised \$5.3 million.

United employs 2500 including 512 medical and dental staff, and 1100 nurses.

First large goal for the Foundation: The Jesse E. Edwards Registry of Cardiovascular Disease Campaign goal \$1,000,000.

First United Golf Classic event held

Eight State of the art operating suites are added, with expertise in major cardiovascular, neurological, orthopedic and general surgery.

Stealth System purchased

The Burnet Senior Classic takes place at Bunker Hills

The board committed \$449,821 to install a communications nurse call system which revolutionized health care

1990s

2000s

1991 1992 1993 1994 1995 1996 1997 1998 1999 2001 2002 2003

United Center for Breast Care Endowment formed

West Seventh Community Partnership funded

Milton M. Hurwitz ExerCare Fitness Center opens

United Heart Center funded by a Foundation grant of \$3 million and Allina Health contribution of \$11.25 million

United Delivers more babies than any other hospital in the state

Neurointerventional Biplane Suite opens

Peter J. King Family Health Center open, DaVinci S Surgical System, IMRI suites open

LUCAS Mechanical CPR devices funded for the St. Paul Fire Department EMS

John Nasseff Heart Hospital, a \$24.5 million initiative, opens with the latest technological equipment and expertise.

Siemens Verio 3T MRI, United Family Practice Health Center opens

Elaine S. Larsen Surgical Center opens, John Nasseff funds CyberKnife system

Nasseff Neuroscience Center Opens

2004 2005 2006 2007 2008 2009 2010 2011 2012 2013 2014

Nasseff Specialty Center opens and houses heart, pulmonary, MEG and more

Bentson Family Foundation Neurological ICU opens, Helene Houle Medical Center opens

Foundation funds Guest Services ED staffing to improve patient experience

The Breast Center of United Hospital opens

Peter J. King Emergency Care Center opens, Bi-Plane X-ray System funded, Goff and Boysen Memorial and Honoring Garden opens

Events:

2013 Service to Humanity gala:
\$1.52 million

3M Championship: \$566,667

United Hospital Golf Classic:
\$151,305

Together, in 2013, 4243 people
donated more than \$5,400,000
to make a difference in the lives

United Hospital Donor Tributes

United Hospital Foundation's Honoring Program offers a distinctive and meaningful way to remember, honor, pay tribute to or recognize those important people in your life. By giving in remembrance, you offer a gift of lasting memory.

United Hospital's continued strength results in large measure from the support received from generous individuals like you. The financial commitment of our community members enables United Hospital Foundation to invest in important projects at United — supporting the best in quality health care for our patients, while meeting the needs of our donors.

The following are memorial/tribute gifts received from May 23 through Oct. 3, 2014.

United Hospital Foundation Funds

THE MOTHER BABY CENTER AT UNITED AND CHILDREN'S-ST. PAUL

This fund provides resources for programs and equipment for one of the state's busiest birth centers.

CARDIOLOGY RESEARCH FUND

The vision is to be a leader in clinical cardiology and provide the highest level of quality research service. The fund helps expand the knowledge of current and developing therapies.

JULIE COHEN UNITED HOSPITAL VOLUNTEER AND NURSING EDUCATION FUND

This fund will award scholarships to volunteers pursuing nursing degrees.

DIABETES FUND

A health care team works together to find the best way to manage diabetes. This fund provides support for diabetes programs and projects. United Hospital is Joint Commission certified for inpatient diabetes care program. Our program is in the top 1 percent in the nation.

JESSE E. EDWARDS ENDOWMENT FUND

This cataloged collection of nearly 28,000 human hearts and 100,000 photographic slides provides a unique learning and working opportunity for local, national and international physicians, which benefits every person with the potential for heart disease. The endowment fund keeps the registry here at United.

HEART UNITED FUND

The Nasseff Heart Center offers comprehensive care from diagnosis to rehabilitation.

LIPSCHULTZ GUEST ROOMS ENDOWMENT FUND

The rooms offer a place for families to stay when a loved one is hospitalized. This fund helps subsidize guests who can't afford to pay for the service.

MEDICAL EDUCATION AND RESEARCH ENDOWMENT FUND

This resource is funded entirely by physicians and provides grants for clinical research, educational opportunities and the purchase of ancillary equipment.

MILTON M. HURWITZ EXERCISE FITNESS CENTER FUND

The Milton M. Hurwitz ExerCare Fitness Center provides medically safe and effective exercise and education programs to patients, their families and the community.

NEUROSCIENCE UNITED FUND

The John Nasseff Neuroscience Institute offers comprehensive services, including a multi-disciplinary team for acute and long-term care, and serves as a research and education center to patients with neurologic disorders.

OLIVIA FUND

Donations to the Olivia Fund at United Hospital Foundation are essential to supporting families who experience loss at the Birth Center. Funds are used to create "Solvieg's Boxes" - memory boxes filled with carefully chosen items to help families create lasting memories with the child they said goodbye to all too soon.
