Close

You don't have to travel far to get the care you need. Mercy Hospital – Unity Campus is conveniently located in Fridley on Osborne Road, between University Avenue and Hwy 65. Right near you, our neighbors in the north metro communities.

Capable

In 2017, Mercy Hospital in Coon Rapids and Unity Hospital in Fridley became one hospital with two campuses. Here you have close, convenient access to a full spectrum of strong primary and specialty care programs, offering state-of-the-art health care dedicated to you. On the **Unity Campus** you have access to a wide range of inpatient and outpatient services, including:

- Cancer care
- Emergency care
- Heart care
- Medical and surgical services
- Mental health and addiction services
- Neurosciences
- Orthopedic care
- Outpatient services like diagnostic imaging, lab, therapies
- Pharmacy
- Primary care and specialty clinics

Whatever your health care needs, our expert physicians and staff on both campuses are here to help you on your journey to better health.

Connected

Mercy's Unity Campus and its network of providers are part of Allina Health and connected to the expertise and knowledge of the entire system. This includes access to local primary care in Blaine, Brooklyn Park and Fridley and to local specialists. Our providers can care for you and your family at every age and stage. Allina Health believes in a holistic approach to care that considers connections of mind, body, spirit and community. When we provide care, we help you do more, feel stronger and live better than you may have thought possible.
