

## Pediatric Openings at Allina Health

Allina Health is dedicated to the prevention and treatment of illness and enhancing the greater health of individuals, families and communities throughout Minnesota and western Wisconsin. A not-for-profit health care system, Allina Health cares for patients from beginning to end-of-life through its 90+ clinics, 13 hospitals, 16 pharmacies, specialty care centers and specialty medical services that provide hospice care, oxygen and home medical equipment, and emergency medical transportation services. We use one of the most comprehensive electronic health record systems in the nation to provide patients with seamless, coordinated and informed care to improved patient safety and outcomes.
